Economic Development Committee Minutes of 1/18/2006

EDC Draft Meeting Minutes Wednesday, January 18, 2006

Chairperson Judy Hampe called the meeting to order at 7:00 p.m.

Committee members present were Susan Leadbeater, Glen Ohlund, Lloyd Holmes, Robert Houston, Bruce Ellsworth. Absent members were Cettie Connolly and David Hayden.

Minutes of the meeting of November 16, 2005 as well as minutes of October 2005 were approved as written.

It was reported by the Selectman's office that Bruce Ellsworth has been reappointed to the EDC Committee. He has agreed to accept. There is one vacancy remaining on the board, and members were urged to present the Selectman with candidate names for consideration.

Glen Ohlund reported on his meeting with the Bow Economic Development Committee. Several ideas to pursue came out of that meeting, including more information about the EDC on the Town of Hopkinton web page link, and possibility of descriptions of potential commercial sites and business. All were urged to visit the Town of Bow web site.

There was an update from Mr. Holmes about the progress of gaining southerly access to Interstate 89 from Pine St. The project can be followed in the Selectmen minutes on the Town of Hopkinton web site.

Next EDC meeting is scheduled for February 15, 2006 at the Town Hall. On the agenda will be included reports of David Hayden's

contact with the Henniker EDC, and Cettie Connelly's contact with
Pembroke EDC.

Respectfully submitted,
Susan Leadbeater
